

Occupational Health & Safety Policy Statement Of The Link Care Nursing Agency

It is the policy of **The Link Care Nursing Agency** that all activities undertaken comply with the Health and Safety at Work Act 1974, the Regulations made under it and all other relevant H&S environmental legislation.

It is the aim of the company to prevent, insofar as is reasonably practicable, any work related accident.

The objective of the Management is to achieve and maintain a safe and healthy work environment for all employees, carers and service users, whether at the agency's head office or at service users' own homes.

The **Director**, also acting as the "competent person", is responsible for ensuring that health and safety matters are considered when planning any care work to be undertaken and also ensures that all carers are adequately trained in the relevant aspects of Health & Safety as applied to care work.

The co-operation of employees is vital to the success of the Health & Safety policy and input from employees regarding Health & Safety issues and improvement opportunities are encouraged and welcomed.

This Policy is reviewed periodically to take account of new or forthcoming legislation and any changes in the company structure or work activities.

All employees are required to read all Health & Safety related Policies upon recruitment and will be made aware of any revisions to Policies or procedures.
